INSTRUCTIONS FOR COMPLETION OF AUTHORIZATION FORM

Purpose: You should use this form when you want DSHS to be able to disclose confidential information about you to another person (including an attorney, a legislator, or a relative). You may give permission to disclose all confidential records DSHS has about you or you may limit your permission to specific records or parts of the agency. This form will also permit DSHS to discuss your situation verbally with the person you authorize.

Notice to Clients: Most client information DSHS has is confidential and will not be disclosed to others unless you grant permission or if disclosure is allowed by law. After DSHS discloses your confidential information, please be aware that the recipient may not protect your records under the same laws that apply to DSHS. DSHS cannot refuse you benefits if you do not sign this form to allow disclosures to DSHS unless your authorization is needed to determine eligibility. For information on how DSHS health care components covered by HIPAA share protected health information and your privacy rights, please consult the DSHS Notice of Privacy Practices at www.dshs.wa.gov or ask the person who gave you this form. You may get a copy of this form.
